THE MORGAN P E N T H O U S E

The Morgan's Lavish Penthouse, Rooftop terrace and airstream is the ultimate party venue in Temple Bar Dublin. Perfect for intimate cocktail parties, summer barbeques, private dining, or to celebrate that special occasion in style. Whether you are looking to impress clients or friends, you can't go wrong booking The Morgan Penthouse, one of the best party venues in Dublin city centre.

The design behind the Penthouse is sophisticated fun. Spacious and funky with an impressive living room, bedroom and rooftop terrace with its own Airstream. The bedroom opens onto a private balcony which in turn, surrounds the entire penthouse.

UP ON THE ROOFTOP TERRACE

A huge canapé outside brings the party onto the roof top terrace, making it an ideal venue year-round, regardless of the weather. It is available for private parties of all types for capacities up to 35 people. On the balcony there is a large glass table for outdoor dining. Overhead, a retracting canopy protects from any rain showers. Outdoor speakers, heaters and chandeliers and lighting transforms the terrace by day & night.

The Air Stream is the 'smallest room in the house'.

The interior is done in embossed leather and chilled blue Led lights. There is an old 'fifties style' cooker in it, a fridge and an iPod for music. The rooftop is private with four giant flower pots with olive trees. When you book the penthouse you expect 'wow', when you arrive you experience 'wow'.

Oriental style meets Parisian furniture scattered on the rooftop. A giant silver picture frame sits behind a comfy sofa perfect for those all-important pictures of the big night!.

Looking for a unique venue? Look no further.
